

Global Trainee for Finance

For our Finance & Business Control team we are currently looking for candidates for a position of Global Trainee.

Location: Aleksandrów Łódzki, Łódzkie, Poland
Job Function: Business Controlling
Employment Contract Type: Regular/Permanent
Publication ID: PL54800382_E1

Tasks

We recruit twice a year for the GTP for Finance & Business Control, a trainee program of 18-24 months, which allows insight into the areas of accounting, finance, controlling, corporate finance, treasury etc. Because of its global nature this trainee program allows you to work in 3 different countries, experience diverse work cultures and job assignments.

The first 6 months are spent at the ABB office in your home country. Thereafter, you will have the opportunity to move to ABB's Headquarters in Zurich, Switzerland for another 6 months, where you will gain an overview of ABB's operations and work on a more strategic level in one of our finance group functions. Finally, the third assignment, which may last 6-12 months, will bring you to yet another country to gain further international experience and increase your responsibility. After successful completion of the program, you will be offered a permanent position in one of our local units in Poland.

Requirements

As an innovative company on the forefront of technology, we are looking for quality individuals who can make valuable contributions and help steer our company successfully into the future.

Specifically, we are looking for individuals who can

demonstrate the following qualities:

- Recent graduates (MSc level studies or equivalent) with good grades in the fields of Business Administration, Economics, Finance or related majors;
- No more than 1.5 years of relevant work experience;
- Fluency in English (additional languages welcome);
- Global mindset, with a passion to work in diverse cultures;
- Mature, balanced personality with good communication skills;
- Team player who is flexible and open to new ideas;
- Ambitious personality with a natural curiosity and realistic career/life goals.

Additional Information

To apply for the position, please send your application Curriculum Vitae and Cover Letter in English via our page.

The final recruitment Assessment Centre will take place on the 2nd of July in Aleksandrów Łódzki.

We reserve the right to answer only to the chosen tender.

We kindly ask you to include in the Curriculum Vitae the following passage: "I hereby agree for my personal data, included in my job application, to be processed in line with the needs of recruitment, in accordance with the Law on Personal Data Protection of 29 August 1997 (Law Gazette from 2002, No.101, heading 926, as amended)."

ABB (www.abb.com) is a leader in power and automation technologies that enable utility and industry customers to improve performance while lowering environmental impact. The ABB Group of companies operates in around 100 countries and employs about 150,000 people.

Our ambition.
Your legacy.
