

Credit Risk and Cash Collection Specialist with fluent French and English

Job ID no: 136740

Location: Pabianice

Philips is a diversified Health and Well-being company, focused on improving people's lives through timely innovations. As a world leader in healthcare, lifestyle and lighting, Philips integrates technologies and design into people-centric solutions, based on fundamental customer insights.

Your challenge:

By combining the current Philips Automotive Lighting business and the LED activities of Philips LumiLeds we are creating a global leading lighting components business, which is a unified global technology and innovation-driven lighting platform.

As a leading global technology company, LumiLeds supplies high-quality LED components to the downstream segments of the lighting industry as well as LED and Conventional lighting components to the automotive industry. The company also holds top 3 market positions in most of its end markets: General Illumination, Automotive OEM and Aftermarket, Specialty and Display LED products for the Smartphone and Display segments.

We are looking for members of the **newly created Center of Excellence Finance in Pabianice**. This is a unique opportunity for being part of the newly founded company based on the merge of two most winning businesses of Philips Lighting: Automotive Lighting & LumiLeds.

In light of the transition to an integrated stand-alone company, LumiLeds is looking to attract the best talents. Just imagine yourself growing with us... If you're ready to make a difference and convert your passion for technology and innovation into action, then you're the right person!

Your responsibilities:

- Active cash collection for key accounts defined together with Center of Excellence team lead and local country
- Act as a customer contact point for the defined central key accounts
- Controlling differences and credit notes as agreed with team lead
- Credit risk management
- Administrating and controlling the debit accounts on basis of internal control standards
- Assigned tasks to agreed targets and objectives in defined markets

We are looking for people with functional knowledge and critical experience:

- Graduate with Bachelor Degree in F&A, Economics or Business Administration
- Fluent knowledge of French and English is a must (both orally and in writing)
- Fluent knowledge Polish
- Very good understanding of F&A processes and tools
- Knowledge of accounting standards (IFRS)
- Deep understanding of customer and market needs and structure
- SAP knowledge

- Project management: development and deployment of new processes and procedures
- Customer service focus
- Show determination to achieve excellent results
- Excellent communication and negotiation skills
- Team player
- Open minded change agent

We offer a range of fringe benefits:

- Competitive salary
- Yearly bonus based on performance achieved
- Friendly atmosphere
- Private medical care with option to extend it to family members
- BenefitSystem cards
- Discount for Philips' products
