

We are looking for candidates in our **Warsaw and Lodz offices** on the position of

**Intern in the
Human Resources Department**

3-12 Months Managerial Internship

Start: immediately

Work schedule: flexible

This Internship is dedicated to bring new talent to Procter & Gamble and our main goal is to offer full-time managerial positions to our successful Interns.

About us:

P&G is the world's largest consumer goods company with operations in 80 countries, more than 80 billion US\$ in revenues and with 25 Billion-Dollar Brands, such as Gillette®, Ariel®, Pantene® and Oral-B®.

Being ranked as the Best Company for Developing Leaders by the Hay Group in 2013 and in 2014, we are sure we have the right opportunity for You, right now!

Our HR professionals are leaders whose talents and skills play a strategic role in the success of our global brands - and the success of our people.

- As strategic business partners, we join efforts with our leadership teams and employees to achieve outstanding results.
- We design and deliver solutions to recruit top talent, drive employee engagement and professional development.

The job scope includes:

- > Working on real business projects which are supporting current business strategies and give you broad exposure to the organization.
- > Cooperation with our multifunctional team.
- > Knowledge building on business processes and standards.

As HR Intern you will:

- > Develop professionally and personally through coaching, mentoring and on-the-job training.
- > Experience a dynamic and international environment.
- > Enjoy an attractive compensation and benefits package.
- > May have the opportunity to join the P&G team full-time following the successful completion of your Internship.

We are looking for:

- > Students of 4th or 5th year of studies of all faculties with business interest.
- > Very strong leadership, collaboration and analytical.
- > Strategic thinking, operational discipline and ability to work within diverse organizations and teams.
- > Positive attitude towards challenges and change.
- > Fluency in English.
