*The co-packer **Vetipak**, which was founded in 1997, specializes in packing a wide variety of products from the food industry (FMCG), starting with instant soups to various sweets Petfood and consumer electronics. The numerous customers include all brands and various private label producers. The company is a partner for its customers. "Making a difference together" is the motto of the company - also in the field of packaging equipment and packaging technology. Vetipak constantly strives to find solutions to the most diverse packaging challenges and to achieve this as quickly as possible with its own engineering team. The company has about 600 employees working at nine locations throughout The Netherlands and four own factories in Oss and Veghel. The headquarter is located in Oss. For our international expansion we are looking for:*

Plant manager

Lodz location Poland
(M/F)

Reporting directly to the Chief operations officer based in The Netherlands, the Plant Manager will have overall responsibility for the Production Centre in Lodz and all production in Poland.

The Role

- Plant management covering all aspects of the production operations in Poland, including, production, purchasing and materials management
- Full financial responsibility with investment planning and reporting
- Technical support for Sales and Service office in the Netherlands
- Responsibility for continuing to develop the growth of the co packing business

The Candidate

If you are the ideal candidate for this role, you will be able to demonstrate the following skills and experience.

- You are technically qualified, preferably with a mechanical engineering qualification.
- You are able to demonstrate a strong track record in Plant Management in a production environment, preferably from the food, automotive or heavy production industries.
- You have solid experience in the financial management of production operations.
- You are an experienced, hands-on people manager, and have the ability to develop, motivate and lead an engaged and experienced team.
- You are a dynamic individual, with an open mind, eager to take on the challenge of this role. You have experience working in a Western environment, and you are looking to make a loyal commitment to a solid and progressive company.
- A native Polish speaker, you are preferably fluent in both English and Dutch, and must be fluent in at least one.
- You currently live and work in Lodz area, or you are prepared to move there as part of the role.

The offering

For the successful candidate, the rewards include a competitive remuneration package, and the potential for career growth within a dynamic international company.
