

PHILIPS

Royal Philips Electronics of the Netherlands is a diversified Health and Well-being company, focused on improving people's lives through timely innovations. As a world leader in **healthcare, lifestyle** and **lighting**, Philips integrates technologies and design into people-centric solutions, based on fundamental customer insights.

We are looking for candidates for the position of

Intern in Market Intelligence Team (duration: min.3 months)

Your team

The **Sourcing Service Center (SSC)** is based in **Lodz**, Poland and is part of Philips Group Procurement.

Under the umbrella of Royal Philips, **Philips Group Procurement (PGP)** manages the supply base for (indirect) goods and services for Philips. PGP acts on behalf of the Philips businesses, handling every step in the purchasing process – from demand analysis to final invoicing and payment.

SSC delivers cost-effective people services by leveraging economies of scale, globalizing processes and simplifying the ways of working, while delivering superior purchasing experiences by listening and acting on our customers' feedback.

Market Analysis

Internship in Market Analysis team will involve support in day-to-day activities such as:

- collecting, analyzing and managing market data of Indirect Materials & Services (IMS) eg.: transportation, travel market, energy market (usage of company applications)
- gathering data on macro-economic and cost drivers level
- providing market price forecasts for specific commodities
- tracking performance of key IMS commodities by comparing Philips contract price fluctuations with market price developments
- providing demand and market analysis for selected commodities
- giving insight on current market situation and outlook on market development
- providing ad hoc deep dives, supporting project driven negotiation initiatives

The intern will be involved in Market Analysis day-to-day activities in order to provide full support in all areas of responsibilities.

Internship should provide:

- opportunity to improve analytical skills
- possibility to work in international corporation / environment
- practical experience in Market Analysis field
- practical experience of working in a project-driven environment

Candidate profile:

- strong analytical skills, high level of accuracy
- proficiency in using Microsoft Excel (pivot tables, look-ups, diagrams)
- fluency in English (all publications are in English)
- problem-solving and result-oriented approach
- independency
- 5th year student/ graduate

Main activities / responsibility:

- providing support for Market Analysis day-to-day activities
- monthly update of economic data (labour cost, inflation, petroleum prices, etc.)

Join a company that offers meaningful solutions which enhance people's lives all over the world. We challenge and empower you to make the most of your talents while working in an international team. You will be surrounded by passionate insightful colleagues who share your drive to create superior customer experiences.

We offer you the opportunity to start an international purchasing career and we will support you with career opportunities that will let you accelerate your growth in directions to which you aspire.

If you would like to join us please send your CV in English till 25th October to: agnieszka.krebs@philips.com
